

March 28-29, 2012 • Hynes Convention Center • Boston, Massachusetts

Welcome to Boston in 2012! Thank you for being a vital part of the MicroManufacturing and NanoManufacturing Conferences & Exhibits. Several changes have been made to the event for 2012 to make it *the place* to **connect with manufacturing professionals** in micro and nano **looking for solutions and products** like yours.

- The unique "Exhibits in the Round" design that allows you to see more, connect more and
 make more connections. Conversation tables throughout the floor provide the perfect spot to
 have in-depth conversations.
- Even More Time on the Show Floor keep the conference schedule in your booth to take advantage of the several 30 to 90-minute breaks from sessions.
- The **Technology Highlights Theater** provides you a forum to present your latest innovations. Be sure to submit your presentation form to not miss this opportunity.
- **Show Tickets** For the first time, we will send you exhibitor-specific priority codes your invitees can use for free show attendance, \$45 off workshop registration or \$150 off regular conference registration. Codes will be sent in early February 2012.
- Special audience promotion featuring New Product Previews you submit. Get in front of more than 10,000 prospective attendees with previews of the new products you will have in your booth.
- New online floor plan better highlights your solutions before the event.
- Watch your email for other new features that will allow you to connect before, during and after the event.

PROMOTE YOUR COMPANY BEFORE THE EVENT

In addition to the electronic priority codes you will receive in February, use social media including the event LinkedIn group and Facebook pages, email, media releases and other avenues you have to reach out to prospective customers.

Your event team is listed below. Please feel free to contact any of us to help make the most of your investment.

Sincerely,

Lauralyn McDaniel Event Manager Imcdaniel@sme.org 313.425.3108

MicroManufacturing and NanoManufacturing Conferences & Exhibits Hynes Convention Center Boston, MA

Dear Exhibitor:

March 28-29, 2012

Brede Exposition Services is pleased to have been selected as the Official Service Contractor for the upcoming *MicroManufacturing and NanoManufacturing Conferences & Exhibits*. We recognize that your participation in this event is a vital part of your firm's marketing program, and we want to do everything possible to make it profitable and rewarding for you.

Included in this service manual are forms for ordering various services and equipment. The Brede forms are to be returned to our office, the others to the specific contractors who are providing the services. Please review, complete, and submit your order forms as early as possible to take advantage of our discount pricing.

Please refer to the enclosed *Show Details* page for vital facts and information about this event. If you have any additional questions about Brede's services, please do not hesitate to call or email Brede's Micro/Nano 2012 Customer Service Representative at csboston@brede.com.

A Brede Service Desk will be maintained in the exhibit area during exhibitor move-in to answer any questions that arise, and to assist with any last minute requirements.

We look forward to working with you and your company toward a successful show.

Thank you.

Brede Customer Service

- 781.741.5900 Fax 781.741.5902 e-mail: csboston@brede.com
- Office Hours: 8:00 AM 4:30 PM (eastern time)
- No telephone orders accepted; please complete and submit your order and credit card information to Brede.

Utilities & Services

• For booth utilities and additional booth services, please contact the individual suppliers using the enclosed order forms.

Please make your show site representative aware of the following policies.

Important Deadlines

Take advantage of advance order discount pricing! Orders must be received with payment in full no later than the
following dates. Orders received with payment in full after discount deadline dates will be invoiced at "standard floor"
pricing.

Furnishings rentals March 13, 2012
Custom exhibits rentals March 13, 2012
Labor orders March 13, 2012

Add to my calendar

Freight received at the warehouse after the deadline will incur an additional charge.

Advance shipments to warehouse to arrive by: March 20, 2012 Shipments to show site to arrive no sooner than: March 27, 2012

Payment Policies

- Orders received without full payment or credit card information will not be processed.
- A credit card on file is required when using Brede Exposition Services.
- All charges must be paid prior to close of show.
- For your convenience, we accept the following methods of payment: cash; checks and money orders drawn on U.S. banks in U.S. funds; and credit cards including VISA, MasterCard and American Express.
- Purchase Orders are not considered payment; therefore, a check or credit card is required.

Cancellations are invoiced at 50% of original price, unless noted on order form.

Cancellations & Adjustments

No adjustments will be made after close of the show.

Tax **Exemption**

- If tax exempt, a copy of your tax exempt certificate must accompany your order. This is not a resale certificate.
- No adjustments for tax exempt status will be made after close of the show.

Third Party Payment Billing

The exhibiting company is ultimately responsible for the payment of all charges. If no arrangements are made for
payment of invoice(s) by the third party prior to the last day of the show, charges will revert back to the exhibitor.

Miscellaneous

- Rental items not ordered, yet found in booths, are invoiced at "Standard Floor" pricing.
- All prices are in U.S. dollars (\$).
- All rental items are subject to applicable taxes.
- All rental items remain the property of Brede Exposition Services.

Why Choose **Custom?**

Exhibitors have full access to Brede Exposition Services' exhibit design expertise. Your Brede designer will create an attractive and functional exhibit that complements your marketing strategy, maximizes your booth space, and enhances your presence on the show floor. With a Brede custom booth design, you will enjoy the following benefits:

- Photorealistic renderings show you exactly what your booth will look like prior to the show.
- Renting a custom designed booth is a cost-effective alternative to buying and storing at an exhibit fabrication warehouse.
- Turn-key Brede project management throughout production will ensure that your display installs exactly as promised for a worry-free show.

Custom Order Details

Please complete the form below so that we may begin to utilize Brede's professional expertise and talent and better understand the image you wish to project. A Brede designer will contact you to begin the creative process.

1010

1008

Micro/Nano 2012

Hynes Convention Center

March 28-29, 2012

Boston, MA

Limitations of Brede Exposition Services' Liability and Responsibility

- 1. Brede Exposition Services shall not be responsible for damage to uncrated materials, materials improperly packed, or concealed damage.
- 2. Brede Exposition Services shall not be responsible for loss, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's booth.
- 3. Brede Exposition Services shall not be responsible for loss, theft, or disappearance of materials before they are picked up from exhibitor's booth for re-loading after the show. Brede bills of lading covering outgoing shipments which are tendered to Brede Exposition Services by exhibitors, will be checked at time of actual pickup from booth and corrections made where discrepancies occur.
- 4. Brede Exposition Services shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's material which make it impossible or impractical to exhibit same.
- 5. The consignment or delivery of a shipment to Brede Exposition Services by an exhibitor, or by any shipper on behalf of any exhibitor shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth in this bulletin.
- 6. Brede Exposition Services shall exercise ordinary diligence and care in the receiving, handling and storage of all shipments. Brede Exposition Services shall not be liable for loss or damage by fire, acts of God, or causes beyond its control. Brede Exposition Service's liability shall be limited to the physical loss or damage to the specific article which is lost or damaged. In any case, the liability of Brede Exposition Services is limited to \$.30 per pound per article, with a maximum of \$50.00 per item, and a maximum of \$1,000.00 per shipment. This applies while these goods are in Brede's warehouse, in vehicles for delivery, or at show site.
- 7. Claims for loss or damage which are not submitted to Brede Exposition Services within thirty (30) days of the close of the show on which the loss or damage occurred shall be considered waived. No suit or action shall be brought against Brede Exposition Services or its subcontractors more than one (1) year after the accrual of the cause of action therefore.
- 8. Shipments received without receipts, freight bills, or specified unit counts on receipts or freight bills (i.e., one lot, 800 cu. ft., etc.), such as UPS or van lines will be delivered to the exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Brede Exposition Services for such shipments.
- 9. Empty container labels will be available at the service desk. Affixing the labels is the sole responsibility of the exhibitor or his/her representative. All previous labels should be removed or completely covered. Brede Exposition Services assumes no responsibility for errors to the aforementioned procedure, removal of containers with old empty labels and without Brede Exposition Services labels, improper information on empty labels, or valuables stored in containers with empty labels.
- 10. Exhibitors should arrange for outgoing shipments during the show or immediately after its close. Brede will assist in the preparation of Brede bills of lading. Be sure that your material has been carefully crated or packed, and properly tagged or marked.
- 11. In order to expedite removal of materials, Brede Exposition Services shall have authority, without further clearance with exhibitors, to change designated carriers.
- 12. Labor and services ordered on behalf of exhibitors by display builders or other parties must be so authorized in a letter from exhibitors. Payment for all labor and services will be the responsibility of the exhibitor.
- 13. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.
 - The exhibitor agrees, in the event of a dispute with Brede Exposition Services relative to any loss or damage to any of their materials or equipment, that they will not withhold payment of any amount due to Brede Exposition Services for Drayage or any other services provided by Brede Exposition Services as an offset against the amount of the alleged loss or damage. Instead, they agree to pay Brede Exposition Services at the close of the show for all such charges, and they further agree that any claim they may have against Brede Exposition Services shall be pursued independently by them as a completely separate transaction to be resolved on its own merits.
- 14. Service charge of 1-1/2% per month on any unpaid balance will be made starting 30 days after date of invoice.
- 15. Where an exhibitor indicates choice of carrier for pickup it is the exhibitor's responsibility to arrange with such carrier for said pickup service. If the carrier does not pick up within the time limited for the removal of exhibitor's materials at the Exhibit Hall, we reserve the right to forward such material by the shipping method of our choice or to remove said material to our warehouse for disposition, at an additional charge to the exhibitor in accordance with prevailing rates for the service performed.
- 16. Material left behind without orders placed at the Drayage Service Desk may be classified as abandoned. The Drayage Contractor shall not be responsible for same. We are not responsible for any delay of rush shipments. We will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a dated time.
- 17. **EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE** covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost. It is understood that Brede Exposition Services is not an insurer, that insurance, if any, shall be obtained by the exhibitor and the amounts payable to Brede Exposition Services hereunder are based on the value of the material handling services and the scope of Brede Exposition Services liability as set forth above.

1014

Brede Exposition Services will receive your materials shipped in advance at our local warehouse, or shipped directly to show site. For detailed information regarding material handling services provided by Brede and the associated charges, please see below. Please make your show site representative aware of the following information.

Exhibitors may choose to ship freight to the advance warehouse or directly to show site. Brede will receive and manage the freight at the warehouse and on show site as described in the following pages. Material handling fees are paid to Brede for these material handling services, and are separate from and independent of freight transportation charges, which are paid to a freight carrier such as YRC, ABF, FedEx, or any other carrier of the exhibitor's choosing. Exhibitors are responsible for securing a carrier of their choosing and arranging freight transportation to and from the event, and all associated transportation fees.

Advance Shipments to the Warehouse

Deadlines and Info

- Receiving begins 30 days prior to exhibitor move-in.
- Shipments received at the warehouse after March 20, 2012 are subject to additional charges.
- Ship pre-paid; collect shipments will be refused
- Uncrated, pad wrapped or specialized equipment will not be accepted at the warehouse.
- Hazardous materials will not be accepted at the warehouse.

Advantages

There are several advantages to shipping advance to the warehouse versus directly to the show site:

- Exhibitors can confirm shipment has arrived and is intact in advance of the move-in date.
- Materials will be delivered to your booth prior to your arrival on site.
- Delivery dates and times are more flexible.

Advance Warehouse Rates

See below for definitions and descriptions of warehouse rates, and the Material Handling Rates form for the associated fees.

All material handling fees are calculated on a CWT basis (per hundredweight, or fraction thereof) per shipment, and vary depending on the type of shipment, the amount of handling and the time of day. Separate shipments will not be combined. Minimum charges will apply as shown on the *Material Handling Rates* form. Be sure to review these costs when you prepare your show budget. Contact Brede for assistance in estimating your material handling charges, based upon your specific needs.

Rates Include

Warehouse material handling rates include the following:

- Receiving exhibitor shipment at the advance warehouse, and storage beginning 30 days prior to the show.
- Movement of all exhibitor freight from warehouse to exhibit site.
- Materials unloaded and delivered to booth by move-in time.
- Pick-up and storing of shipping containers and boxes labeled EMPTY, and returning empty shipping containers to
 your booth at the close of the show. Empty labels may be obtained at the Brede Service Desk on show site.
 Empty containers are not accessible during the show.
- Removal of freight from booth, and reloading onto exhibitor's designated outbound carrier from the loading dock.

Crated or Skidded

Use this rate for shipments that arrive via common carrier such as YRC, ABF, etc., and can be unloaded at the dock with no additional handling required. Material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

Special Handling

Use this rate for shipments that are crated van line shipments or packed in such a manner as to require special handling, such as ground loading, side door loading, constricted space loading and designated piece loading or stacked shipments. Also included are mixed shipments without certified weight tickets or delivery receipts, such as Fedex, UPS, POVs (personally owned vehicles).

Small Package

Use this rate for cartons/envelopes weighing less than 25 lbs. per shipment without documentation. These will be delivered to the booth without guarantee of piece count or condition.

1014

Brede Exposition Services will receive your materials shipped in advance at our local warehouse, or shipped directly to show site. For detailed information regarding material handling services provided by Brede and the associated charges, please see below. Please make your show site representative aware of the following information.

Direct Shipments to Show site

Deadlines and Info

- Do not ship to the facility prior to March 27, 2012. Early shipments to show site may be refused.
 Brede Exposition Services will be on show site at the loading dock to receive exhibitor materials only during move-in hours.
- Ship pre-paid; collect shipments will be refused.
- Hazardous materials will not be accepted at show site.

Direct to Show site Rates

See below for definitions and descriptions of direct to show site rates, and the Material Handling Rates form for the associated fees.

All material handling fees are calculated on a CWT basis (per hundredweight, or fraction thereof) per shipment, and vary depending on the type of shipment, the amount of handling and the time of day. Separate shipments will not be combined. Minimum charges will apply as shown on the *Material Handling Rates* form. Be sure to review these costs when you prepare your show budget. Contact Brede for assistance in estimating your material handling charges, based upon your specific needs.

Rates Include

Direct to show site material handling rates include the following:

- Materials unloaded at loading dock and delivered to booth by move-in time.
- Pick-up and storing of shipping containers and boxes labeled EMPTY, and returning empty shipping containers to
 your booth at the close of the show. Empty labels may be obtained at the Brede Service Desk on show site.
 Empty containers are not accessible during the show.
- Removal of freight from booth, and reloading onto exhibitor's designated outbound carrier from the loading dock.

Crated or Skidded

Use this rate for shipments that arrive via common carrier such as YRC, ABF, etc., and can be unloaded at the dock with no additional handling required. Material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

Special Handling

Use this rate for shipments that are crated van line shipments or packed in such a manner as to require special handling, such as ground loading, side door loading, constricted space loading and designated piece loading or stacked shipments. Also included are mixed shipments without certified weight tickets or delivery receipts, such as Fedex, UPS, POVs (personally owned vehicles).

Uncrated, Unskidded, or Wrapped

Use this rate for shipments that are not in crates, cases, or boxes and/or pad wrapped, specialized equipment, unskidded machinery or uncrated POV shipments. Uncrated shipments are received at show site only.

Small Package

Use this rate for cartons/envelopes weighing less than 25 lbs. per shipment without documentation. Will be delivered to booth without guarantee of piece count or condition.

Overtime Charges

Inbound

Overtime charges apply on inbound shipments if:

- Your shipment is to be delivered to your booth before 8:00 am or after 4:00 pm on weekdays, or anytime on a Saturday, Sunday and/or Holiday, or
- Your shipment is received at the warehouse, and is delivered to show site before 8:00 am or after 4:00 pm on weekdays, or anytime on a Saturday, Sunday and/or Holiday, or
- A vehicle driver checks in at the Exhibit Site Check-In Area after 3:00 pm on weekdays, or anytime on a Saturday, Sunday and/or Holiday.

Outbound

Overtime charges apply on outbound shipments if:

- Your shipment is loaded after 4:00 pm on weekdays, or anytime on a Saturday, Sunday and/or Holiday, or
- Your carrier driver checks in at the Exhibit Site Check-In Area after 3:00 pm on weekdays, or anytime on a Saturday, Sunday and/or Holiday.

Brede Exposition Services will receive your materials shipped in advance at our local warehouse, or shipped directly to show site. For detailed information regarding material handling services provided by Brede and the associated charges, please see below. Please make your show site representative aware of the following information.

Material Handling Documentation

Inbound **Bill of Lading**

All inbound shipments must have a Bill of Lading or delivery slip showing the number of pieces, type of merchandise and weight. Shipments received without this information will be delivered to exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Brede for such shipments. Billed weight is based on incoming weight, whether outbound services are used completely or in part. The weight is rounded up to the next one hundred pounds (100 lbs) and is taken from the inbound Bill of Lading and/or the certified weight ticket. Separate shipments will not be combined. Shipments arriving without a specified weight on the Bill of Lading will be assigned an approximate weight by Brede. This weight will prevail.

Advance Warehouse Shipping Address

FOR: Micro/Nano 2012

Brede Exposition Services

c/o YRC

95 Concord Street

N. Reading, MA 01864

TO: Exhibiting Company Name and Booth # • Use this address and information on your inbound bill of lading if shipping your freight to the Advance Warehouse.

1014

- Please use the freight labels provided in this service manual.
- Receiving hours: M F 8:00 a.m. to 4:00 p.m.
- All shipments must be prepaid: collect shipments will be refused.
- Brede does not accept shipments that are not consigned to Brede Exposition Services. Such shipments will be refused.
- All shipments to the Advance Warehouse must arrive by March 20, 2012 to avoid late charges.

Direct to Show site Shipping Address

TO: Exhibiting Company Name and Booth #

FOR: Micro/Nano 2012

c/o Brede Exposition Services **Hynes Convention Center** 900 Boylston Street via Cambria Street loading dock Boston, MA 02115

- Use this address and information on your inbound bill of lading if shipping your freight Direct to Show site.
- Please use the freight labels provided in this service manual.
- All shipments must be prepaid: collect shipments will be refused.
- Brede does not accept shipments that are not consigned to Brede Exposition Services. Such shipments will be refused.
- Shipments will be received at the facility no sooner than March 27, 2012 during move-in hours.

Empty Containers, Labels

Exhibitors with crates or boxes that need to be returned to pack up booth equipment at the end of the show must affix empty labels on the containers as soon as they are empty. Empty labels will be available at the Brede Service Desk. Affixing the labels is the sole responsibility of the exhibitor. Brede assumes no responsibility for removal of containers with old empty labels, improper information on labels or valuables stored in containers with empty labels. Empty containers will be removed from the floor and stored until the close of the show. You will not have access to empty containers during the show. In most cases, empty containers may not be stored in your booth during the show as it is a fire hazard.

Outbound Bill of Lading

Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the Brede Service Desk: do not leave outbound Bills of Lading in your booth. Exhibitors who wish to ship outbound materials via any carrier other than the show carrier must advise carrier to be checked in at the Brede Service Desk by the driver check-in time specified on the Show Details page. Drivers are placed in line for loading on a first-come, first-serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Service Desk. Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in. Should your carrier fail to check in by the designated time, Brede reserves the right to re-route shipment via the official show carrier as necessary, at the exhibitor's expense.

1008

By completing and submitting the Material Handling order form, exhibitor acknowledges reading and accepting the terms and conditions included on the Material Handling Information forms, as well as the Limits of Liability form. Please review these moneysaving tips to make the most efficient use of your material handling budget. Please make your show site representative aware of the following information.

Money-Saving Tips

In General

- Ship via common carrier to avoid possible special handling surcharges.
- Ship early to avoid overnight charges whenever possible.
- Furnish accurate weight tickets with your shipment.
- Properly label/address all shipments to avoid time-consuming re-routes, mis-deliveries, and delays.
 Remove old shipping labels before you send materials, and attach new labels with complete information. Shipping labels are provided in this service manual for your convenience.
- When shipping direct to show site, confirm in advance that your carrier can guarantee delivery of your freight to the exhibit facility during move-in dates. When possible, schedule shipments to arrive during straight time rather than overtime periods.
- Label your freight with the number of total pieces example 1 of 3, 2 of 3 and 3 of 3.
- Take a copy of tracking numbers to the show, as well as origination and destination points, piece counts, arrival dates and phone numbers for tracking purposes.

Consolidate Your Shipment

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment Brede receives.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

For example:

- o 1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$94.00 per CWT = \$188.00
- o 1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$94.00 per CWT = \$188.00
- o 1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$94.00 per CWT = \$188.00

TOTAL cost of three shipments arriving separately: \$564.00

OR

o 3 pieces totaling 152 lbs @ 200 lb minimum x \$94.00 per CWT = \$188.00

TOTAL cost of one consolidated shipment: \$188.00 Savings of \$376.00

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.

All exhibitor move-in is restricted to the Hynes Convention Center loading dock.

No exhibitors will be allowed access with any move-in materials via the Boylston Street or Prudential Mall Entrance.

Exhibit Services Simply reliable success

YRC is ready to customize transportation solutions for any exhibit shipment, any size load.

With increased reliability, quality and speed, YRC gives you the freedom to choose the level and speed of service most appropriate for your shipment.
YRC offers Guaranteed Precision,™
Expedited Precision ™ and Sealed Exhibit ™ security. Specialized Solutions ™ and caravan services deliver efficient transportation from show to show.

Shipment visibility provides additional peace of mind. Enjoy the transportation management tools on my.yrc.com, and gain online control of your shipment from start to finish.

Be Confident. It's a YRC Delivery.™

The show must go on

And so will your business, with the confidence to focus on your customers, not the whereabouts of your tradeshow booth. YRC is the first and only provider to offer customers a **free inbound guarantee**.* Be confident your booth will arrive on time with YRC.

Gain the on-site advantage

Move in, set up and move out. It's simple when you work with the exhibit experts. YRC professionals are at the big trade shows, ensuring your materials arrive on time and depart quickly – so you don't miss the next tradeshow deadline.

Secure success

YRC guarantees safe delivery with our patented Sealed Exhibit™ protection and security solution. Pay for only the space your shipment occupies. Your exhibit is sealed behind a locked partition and is protected from pickup through delivery to the show site.

Form
Form
These definitions are provided in order to acquaint you with specific guidelines for labor. Trade shows, conventions, and special events in this vicinity are governed by local union contracts. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Brede Exposition

Material Handling

Exhibitors are allowed to perform their own drayage, provided that their freight is delivered in their privately owned vehicle (POV), they use their own bona fide company employees, and they bring the freight into the building and to their booth. POVs are defined as personally owned vehicles such as cars, vans, station wagons, SUVs, and box trucks less than 24' in length. Pick-ups with trailers attached are not to exceed 24' in length. Exhibitors must be able to unload/load within 20 minutes of positioning at the designated dock. Any vehicles left unattended may be towed. Venue security will strictly enforce the 20 minute time limit.

Freight being delivered to the loading dock by common carrier, van line, or any vehicle other than a POV must be unloaded and delivered by the official drayage contractor. *There is a charge for this service.* Fork lifts, electric pallet jacks, and pallet jacks may be used by the official drayage contractor only.

Booth Labor

Exhibitors are allowed to set-up and or dismantle their own booths, provided they use their own bona fide company employees who will be staffing the exhibit. Please advise them not to bring outside labor of any kind. Exhibitors who employ display houses or exhibit manufacturers to erect or dismantle their booths may have supervision sent in from their supplier. Supervisors of this type cannot physically erect the booth, unless they are members in good standing of Teamsters Local 25.

I. Exhibitors must use their own bona fide personnel or union personnel hired from Brede Exposition Services for installation and dismantling of exhibits.

OR

- II. Non-official installation and dismantling contractors may provide supervision. Non-official contractors must use labor supplied by Brede Exposition Services unless the following requirements are fulfilled:
 - Exhibitors must advise Brede Exposition Services in writing, thirty (30) days prior to setup of the show, of their intent to hire an outside installation and dismantle company or exhibit house to supervise, install, and dismantle their exhibit. The Non-Official Contractor form must be completed and returned no less than thirty (30) days prior to setup.
 - Non-official contractors must furnish proof of adequate insurance, in the form of an original copy of a policy rider listing Brede Exposition Services as an additional insured, furnished by their broker to Brede Exposition Services' office no less than thirty (30) days in advance of actual installation dates.
 - Non-official contractors must furnish show management the names, addresses and telephone numbers of key
 executives or emergency contact.
 - All personnel must display proper identification at show site.

This statement and insurance rider are not required by the exhibitors who plan to setup and dismantle their own booths or equipment with their own employees.

Non-official installation and dismantle contractors will be allowed on the exhibit floor only during official installation & dismantling hours, and must be identified with a temporary work pass, either supplied by show management or the official service contractor.

Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture.

If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed *Labor Order* form and necessary ladders and tools will be provided.

Gratuities

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede employees.

In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of Brede.

Submit this form if you would like to order labor from Brede. Labor is available for installation and dismantling of exhibits, and for shrink wrapping and banding of materials.

This service is available to assist you with your setup, unskidding, and/or spotting of machinery once it has been delivered to your booth. You do not need to order forklifts to unload your truck or deliver your freight to your booth from the loading dock.

Please call your Brede Customer Service Representative for a quote if you require a forklift for over 5,000 lbs. capacity, a cage, or a crane.

COMPLETE and SUBMIT this form:

1008

Submit this form if the exhibiting company intends to use a contractor other than Brede Exposition Services. If the exhibiting company fails to comply with any or all of the requirements listed below, the non-official contractor will not be permitted to service your exhibit, and Brede Exposition Services must be hired for installation and dismantle labor. The non-official contractor will be able to provide supervision only.

Contractor Requirements

Non-official contractors must use labor supplied by Brede Exposition Services unless the following requirements are fulfilled:

- Exhibitors must return this completed form to Brede Exposition Services at least thirty (30) days prior to the show.
- Non-official contractors must submit proof of adequate insurance, in the form of an original policy rider, listing
 Brede as an additional insured, furnished by their broker to Brede's office no later than thirty (30) days in advance
 of actual installation dates. This must include a copy of your Worker's Compensation Insurance.
- Non-official contractors must furnish show management the names, addresses and telephone numbers of key
 executives for emergency contact.
- All personnel must be properly badged at show site.

Non-official installation and dismantle contractors may provide supervision. Non-official contractors are allowed on the exhibit floor only during official installation and dismantle hours, providing the information above is supplied.

Booth Number

COMPLETE and **SUBMIT** this form:

Booth Construction

Booths, platforms and space dividers shall be of materials that are rendered flame-retardant, satisfactory to the local fire department representatives. Coverings for counters or tables used within or as a part of the booth shall be flame-retardant. All electrical wiring and apparatus shall be of a 3-wire UL type approved.

Permits

A permit shall be required for the following:

- Display and operation of any heater, barbecue, heat-producing or open flame device, candles, lamps, lanterns, torches, etc.
- Display or operation of any electrical, mechanical, or chemical device which may be deemed hazardous by the local fire department.
- Use or storage of flammable liquids and dangerous chemicals.
- Display of any internal combustion engine (special requirements available upon request).
- Use of any compressed gases (permit required for 32CF bottles 1/2 full or less).

Obstructions

Aisles and exits, as designated on approved show plans, shall be kept clean, clear and free of obstacles. Booth construction shall be substantial and fixed in position in specified areas for the duration of the show. Easels, signs, etc., shall not be placed beyond the booth area into aisles. Firefighting equipment shall be provided and maintained in accessible, easily-seen locations and may be required to be posted with designating signs.

Flame Retardant Treatment

All decorations, drapes, signs, banners, acoustical materials, cotton, paper, hay, straw, moss, split bamboo, plastic cloth and similar materials shall be flame-retardant unless smaller than 1,232 square inches (28" x 44") if separated from other combustibles by a minimum of 12" horizontally and 24" vertically. Oil cloth, tar paper, nylon and certain other plastic materials cannot be made flame-retardant, therefore their use is prohibited.

Combustibles

Literature on display shall be limited to reasonable quantities (one-day supply). Reserve supplies shall be kept in closed containers and stored in a neat and compact manner in a location approved by the fire department. All exhibit and display empty cartons must be stored in an approved drayage area. If show is under a 24-hour approved manned security program, automobiles are allowed to retain 1 gallon or less of fuel, and gas caps must be taped. Batteries are to be disconnected and taped.

Storage behind booth backwall is strictly prohibited.

CONTRACT CONDITIONS: ALL orders must be paid in full prior to delivery. In U.S. funds drawn on U.S. banks. There is a \$25 fee for returned checks. Adjustments can not be made after the close of the show. Cancellations must be received in writing 72 hours prior to show set up, or a 50% charge applies; no refund for on-site cancellations. All materials/plants available on rental basis only. Rental items missing from booth at close of show are the responsibility of exhibitor and an additional charge will be applied. All prices include delivery, installation, servicing, decorative containers and removal at end of show. Exhibitor agrees to hold Bloomin' Exhibits harmless for all injury or damage resulting from items supplied by this contract.

As the In House A/V, computer, and data display supplier, Projection will be on-site from set-up through dismantle. Rates published are for the entire length of the event. Advance Rate applies to orders received 15 days before Move In.

RENTAL AGREEMENT

All equipment rentals are based on Event Rates and apply to event days only. Rental prices do not include labor, delivery, electrical services, or removal of equipment from your booth. It is understood and agreed that EXHIBITOR is renting PROJECTION PRESENTATION TECHNOLOGY equipment for a specified period of time and is responsible for its safe return. EXHIBITOR hereby agrees to use all rental equipment with reasonable care to prevent excessive wear and tear and/or damage to said property. All rental equipment must be returned to PROJECTION PRESENTATION TECHNOLOGY in the same condition as it was in at the time of delivery to EXHIBITOR, reasonable wear and tear excluded. EXHIBITOR will immediately notify PROJECTION PRESENTATION TECHNOLOGY of any damage to the rental equipment, and EXHIBITOR hereby agrees to be billed for any damage to, or loss of, rental equipment damaged while in EXHIBITOR'S care, custody and/or control. In no event shall EXHIBITOR permit any equipment to be used and/or possessed by other exhibiting parties other than the named EXHIBITOR without prior consent of PROJECTION PRESENTATION TECHNOLOGY in each instance.

Cancellation

Cancellation of equipment rental and services must be received 72 hours prior to delivery date to avoid a minimum one-day charge on equipment. If equipment and services have already been provided at the time of cancellation, a handling charge and a minimum one-day charge on equipment will apply.

PLEASE NOTE: ALL PAYMENT, INCLUDING APPLICABLE TAX, IS DUE AT THE TIME SERVICES ARE ORDERED. PURCHASE ORDERS ARE NOT CONSIDERED PAYMENT.

Payment Terms

Full payment, including any applicable tax, is due at the time services are ordered. All payments must be in U.S. dollars. Orders received without advance payment or after the deadline date **00/00/00** will incur additional charges as indicated on the order form. All materials and equipment are on a rental basis for the duration of the event and remain the property of PROJECTION PRESENTATION TECHNOLOGY except where specifically identified as a sale. It is the EXHIBITOR'S responsibility to advise our Exhibit Service Personnel of any problem with any order, and to check invoices for accuracy prior to the close of the exhibit. If you are exempt from payment of sales tax, PROJECTION PRESENTATION TECHNOLOGY requires you to forward an exemption certificate for the state in which the services are to be used. Resale certificate are not valid unless EXHIBITOR is rebilling these charges to its customers. For International exhibitors, PROJECTION PRESENTATION TECHNOLOGY requires 100% prepayment of advance orders, and any orders or services placed at show site must be paid at the show.

These payment terms and conditions shall be governed by and construed in accordance with the LAWS OF THE STATE OF VA. In the event of any dispute between the EXHIBITOR and PROJECTION PRESENTATION TECHNOLOGY relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to PROJECTION PRESENTATION TECHNOLOGY for its services, as an offset against the amount of any alleged loss or damage. Any claims against PROJECTION PRESENTATION TECHNOLOGY shall be considered a separate transaction, and shall be resolved on its own merits. PROJECTION PRESENTATION TECHNOLOGY reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR'S estimate of charges and the actual charges incurred by EXHIBITOR, or for any charges that PROJECTION PRESENTATION TECHNOLOGY may be obligated to pay on behalf of EXHIBITOR, including without limitation, any shipping charges.

Unpaid Balances

Should there be any pre-approved unpaid balance after the close of the event, terms will be net, due and payable in Springfield, VA upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a prepayment basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by PROJECTION PRESENTATION TECHNOLOGY shall be either applied to reduce the principal unpaid balance or refunded to the payer.

Terms & Conditions

1)Convention Data Services, Inc. hereinafter called "CONTRACTOR" agrees to the delivery of services as specified and is to be rendered in a timely and professional manner according to standard industry practices. All equipment and software remains the sole property of CONTRACTOR. In the event of strikes, electrical power failures, accidents and/or occurrences beyond the control of CONTRACTOR or customer, all deposits and fees shall be returned.

- 2) The method of payment shall be in United States dollars and submitted with the order for service. CONTRACTOR will only accept checks drawn on banks located in the United States of America or certified funds. Checks will not be accepted as payment at the show site.
- 3) Advance orders must be received on or before deadlines and paid in full. Orders received without payment or after the discount deadlines will be charged at the appropriate published price based on order deadline dates. SERVICES WILL NOT BE RENDERED UNTIL PAYMENT IN FULL IS RECEIVED. No refunds on advance orders.
- 4) The customer agrees to return any equipment to CONTRACTOR in the same condition. The customer agrees to the immediate payment, upon request by CONTRACTOR for all damages or loss of equipment, except such as may result from normal operation thereof; and the customer acknowledges and understands that the applicable replacement cost is as follows: X•Press LeadLite Unit: \$500.00. The customer authorizes CONTRACTOR to charge the credit card provided \$500.00 for failure to return the equipment within two hours after the official hall closing. The customer also authorizes CONTRACTOR to charge the credit card the replacement cost indicated above for either the failure to return the equipment or for any damaged equipment.
- 5) Customer is responsible to pay all applicable Federal, State or Local taxes. If the applicable tax rate is different from the published rate at the time of placing the order, then Contractor may adjust the tax due by the customer accordingly. If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exempt Certificate for that state. Please submit this certificate with order, otherwise tax will be charged to your order.
- 6) CONTRACTOR'S liability for damage of any cause whatsoever will be limited to the total price for the goods and services provided by CONTRACTOR.
- 7) Customer agrees to return all equipment to CONTRACTOR'S service desk within two hours of the show closing and must obtain a written receipt for the equipment. EQUIPMENT LEFT IN THE EXHIBIT AREA IS THE RESPONSIBIL-ITY OF THE CUSTOMER.
- 8) It is agreed that the governing law pertaining to this contract will be the laws of the State of Massachusetts, with venue exclusively in Barnstable County.
- 9) CONTRACTOR disclaims any responsibility for misuse, loss or power, power surges, and customer adjustments that are not covered in the instructions, acts of God, or any other act beyond the control of the CONTRACTOR.

Introduction

On behalf of the Massachusetts Convention Center Authority, welcome to Boston! We are excited to have you exhibit at our state-of-the-art facilities and look forward to helping you prepare your exhibit space. At the MCCA, we strive to provide you with quality services to ensure both a successful and an enjoyable experience.

This Ordering Guide is designed to make planning and ordering easy for all exhibitors. Each service section contains the following:

- Description of Services & Equipment and Pricing;
- Installation & Connection Information;
- Terms & Conditions, and;
- Frequently Asked Questions.

In addition to the orderable services listed in this guide, the MCCA also offers the following services for you to take advantage of on-site:

- Exhibitor Service Desk with assigned Event Associate
- Internet Help Desk
- Free Wireless Internet Service
- Business Center
- FedEx Kinkos

If you have any unanswered questions, please contact MCCA Exhibitor Services at **1-617-954-2230** or **exhibitorservices@massconvention.com**, and we will be happy to assist you!

General Information

Ordering Policies & Procedures

Pricing - Discount and Standard rates are available for most services. To qualify for the discount rate, order requests and payment must be received 21 days prior to the show opening. Standard rates will apply to orders received after this discount cut-off date.

Ordering - Exhibitors are encouraged to submit orders online at our secure and easy-to-use website, www.massconvention.com. Credit card payment is required for all online orders. Exhibitors who prefer to mail in their orders and pay by check will find our Service Order Forms at Appendix A of this guide. No telephone or facsimile orders will be accepted.

Exhibitors should be aware of the following when placing orders:

- All payments must be in US currency;
- The date payment is received determines the applicable rate (see Pricing above);
- Incomplete order or payment information will delay processing;
- Booth number(s) must be identified on all order forms.

Payments - Payment for services <u>must</u> be received in advance. Service will be scheduled and delivered only after payment is received. All outstanding charges must be paid before the close of the show.

Refunds - Claims for refunds must be submitted by the exhibitor to MCCA Exhibitor Services prior to event close. Credit will not be given for services installed and not used.

General Terms & Conditions

- All booth number changes must be communicated by the exhibitor to MCCA Exhibitor Services prior to exhibitor move-in. Additional charges may result, if services must be moved after initial set-up.
- All equipment and material furnished by the MCCA shall remain the property of the MCCA and shall be removed only by MCCA personnel.
- Standard wall outlets and other permanent building outlets (e.g., electrical, telephone, plumbing, etc.) are not part of the booth space and may not be used by anyone other than MCCA personnel or designated service provider.
- Service connections must be made by MCCA personnel or designated service provider.
- Connection services generally cover the installation of service to the booth area in the most convenient manner to the MCCA.
- All equipment must comply with state and local safety codes. MCCA will refuse connection to any equipment that constitutes a safety hazard.
- Unless otherwise directed, MCCA personnel are authorized to cut floor coverings to permit installation of services.

Electrical Services

The MCCA offers a variety of electrical services through our experienced in-house team of electricians.

Standard Connections (120 volt power)	Discount	Standard
500 Watt Box One 5 amp circuit and one receptacle or plug point	\$95.00	\$119.00
1000 Watt Box One 10 amp circuit and two receptacles or plug points	\$125.00	\$156.00
2000 Watt Box One 20 amp circuit and a minimum of three receptacles or plug points.		\$194.00
4000 Watt Box Two 20 amp circuits and two receptacles or plug points for each circuits		\$225.00

30' Round Extension Cords		
24 Hour Power	or should order 24	Hr power.

- At the JB Hynes Convention Center, overhead 120v electrical service is available in Halls A, B, C and certain areas of Hall D and Auditorium.
- At the Boston Convention & Exhibition Center, overhead 120v electrical is limited due to the ceiling heights. Overhead service is available under the low mechanical roof on the East and West sides of the Halls.
- If an overhead sign, truss, banner or other rigged item requires overhead 120v power, the MCCA can provide this service in any area of the Hynes or BCEC.
- If an overhead sign, truss, banner or other rigged item requires overhead 208v or 480v power, the MCCA can provide this service in limited areas of the Hynes and BCEC. Please contact the MCCA Exhibitor Services team for availability.

Installation & Distribution - Electrical

- MCCA Electricians will provide the initial electrical power source.
- Electrical Service is brought from the nearest column or floor port into the booth. The electrical outlets or boxes are placed in the rear of the booth along the pipe & drape line.
- Electrical boxes are left accessible inside floor ports for island booths with no pipe and drape lines and no columns in their booth space.
- For 208V & 480V connections, we require floor plans so that we may provide the electrical service in a convenient location within the booth.
- Exhibitors are responsible for distributing their own 120V electrical cords and plugging in their booth equipment. Exhibitors may choose to:
 - o Hire labor from the General Service Contractor;
 - Hire a third-party Installation & Dismantle (I&D) team to perform the distribution work;
 - o Bring their own company electrician to perform distribution and hard wire connections as long as he/she is a full-time employee of the exhibiting company.

Terms & Conditions - Electrical

- The MCCA is the <u>exclusive</u> provider of electrical service. All electrical equipment shall remain the property of the MCCA and may not be installed or removed by anyone other than MCCA personnel.
- All services listed include labor to install and remove said service. Rates do not include connecting of equipment, tracing of malfunctions, special wiring, or repairs. If an exhibitor requires additional electrical labor outside of the standard service, services will be billed at an <u>hourly rate</u> with a minimum of one hour. Labor rates are based on current wage and benefit rates and are subject to change without notice:
 - o Monday-Friday 8am-4pm (except holidays) \$70.00
 - o All other times, including holidays \$105.00
- The use of open clip sockets, duplex or triplex attachment plugs, latex or lamp cord is prohibited. All cords must be of the 3 wire grounded type and UL approved. Cords can be no smaller than 12 wire or 12 gauge. Any exposed non-current carrying metal parts of fixed equipment must be grounded.
- Electrical equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, horsepower, etc.
- The MCCA cannot be responsible for voltage variations of the power company.

Frequently Asked Questions – Electrical

If the MCCA doesn't run my electrical cords, and I can't do it myself, who should I send my electrical layout plan to?

If you have booth floor plans that include electrical layouts, you should share that information with your preferred setup personnel. If you are working with a third-party exhibit company, they may run the cords for you. If you need to hire labor to run cords for you, the show's General Service Contractor can help you. Typically, the General Service Contractor will include an Electrical Cord Labor Form in the Exhibitor Kit. The MCCA is happy to keep any floor plans on file for reference. In fact, we recommend that you forward your electrical layouts to Exhibitor Services for all 208V and 480V connections so that we may place the initial drop in the most convenient location possible.

How do I know if I need a 208V or 480V connection?

Most exhibitors do not require special connections like a 208V or 480V connection. Many times, these types of electrical services are required for heavy equipment and/or specialized machinery. Kindly consult with the equipment manufacturer, name plate rating or installation technician for specific details. Exhibitors who bring their own distribution panels may need one of these special connections.

How do I know how much power I need to order?

When determining how much power to order for a booth, it is helpful to know how much total power is required for the equipment in your booth space. Below, we have outlined some standard electrical requirements (requirements may vary).

Standard Laptop......250-550 watts Standard Desktop PC.....400-700 watts Standard Plasma TV.....300-400 watts

Items like laptops, standard booth lights, and televisions may be grouped together on one circuit provided they do not exceed the overall limit of the circuit or the surge protection device. There is some equipment that requires its own circuit to run properly. For example, a microwave or refrigerator requires its own dedicated circuit, so a laptop and refrigerator should not use the same power source.

I am an International Exhibitor and my equipment requires a converter to step down from 220V to 208V. Can I rent a converter from the MCCA?

The MCCA does not rent or supply power conversion equipment. Exhibitors are required to bring their own to the show.

I can't find 208V or 480V overhead service listed on your online ordering site. How can I order this service?

208V & 480V overhead services are limited in our convention centers. All requests for such connections must be approved by an MCCA electrician; please contact MCCA Exhibitor Services for more information.

Cleaning Services

The MCCA offers a variety of cleaning services through our exclusive service contractor, American Building Maintenance (ABM).

Cleaning Services (Per sq ft. per day)	Discount	Standard
Initial Vacuum or Mopping Service includes one-time vacuum or mop prior to the first event		\$0.31
Daily Vacuum or Mopping	, including the first	show day, as
Daily Vacuum or Mopping + Porter Service Service includes vacuum or mop prior to each event or show day, well as wastebasket emptying and booth sweep throughout show MCCA does not provide wastebaskets for exhibitors.	, including the first	show day, as
Shampoo Service		

Terms & Conditions - Cleaning

The MCCA, through its cleaning contractor American Building Maintenance (ABM), is the <u>exclusive</u> provider of all cleaning services.

Frequently Asked Questions – Cleaning

Will my booth be automatically vacuumed or mopped prior to the first show day? Exhibitor booths will not be vacuumed or mopped unless the service is ordered through the MCCA prior to the show opening.

Do I need to order both the Initial Vacuum and the Daily Vacuum if I want my booth to be vacuumed everyday including the first show day?

No, it is only necessary to order one vacuuming/mopping service. Daily Vacuum/Mop *includes* the initial, first day service. The Daily + Porter Service also includes the initial, first day service. Shampoo service, on the other hand, may be ordered alone or partnered with any other cleaning service.

Why is the rate on your website different from the rate listed above?

The service rates are the same on both the form and the online order page; they are just presented differently. The form shows the daily unit price for the service, while the online page shows the total price for the duration of the show.

If I order cleaning service, when can I expect my carpet to be cleaned?

If the show you are attending opens in the morning, all of the cleaning usually occurs the night before the show opening. If the show opens in the afternoon, all of the cleaning usually occurs in the morning before show opening. Our cleaning staff will not remove visqueen (the plastic covering) from your carpet; exhibitors are responsible for removing their own visqueen.

Telephone Services

The MCCA offers a variety of telephone services through our experienced in-house team of telephone technicians.

Standard Telephone Services	Discount	Standard
Single-Line Service (Analog)		
Multi-Line Service (Digital)	nd rental of one	digital
Speaker Phone Service (Analog)		
Polycom Speaker Phone Service (Analog)		
Fax Machine Phone Service (Analog)\$12.50 Service includes one phone line and rental of a plain paper fax machine equipped with copy capabilities. Line usage included.

ISDN/BRI Service		
Polycom Videoconference Rental w/IP Connect Service	al/remote site w	ith like IP

Polycom Videoconference Rental w/ISDN\$2,000.00\$2,500.00

This service is used to connect from the MCCA's facility to an external/remote site with like ISDN video conferencing capabilities. This service includes three 128k ISDN lines. Line usage will be billed per the selected carrier's rate after the close of the show.

Installation & Connections - Telephone

- Telephone Service is brought from the nearest column or floor port into the booth.
- MCCA phone technicians typically provide a line that is long enough to run anywhere in your booth. Exhibitors may have their preferred setup personnel run their phone cord(s) under the carpet to desired locations, or they may hire the general service contractor to do so.
- All telephone equipment can be picked up at the MCCA Exhibitor Services Desk.

Terms & Conditions - Telephone

- The MCCA is the <u>exclusive</u> provider of all telephone services. All telephone equipment shall remain the property of the MCCA and may not be installed or removed by anyone other than MCCA personnel.
- All MCCA telephone equipment (except simple analog handset) must be returned to the MCCA Exhibitor Service Desk at the close of the show. Failure to return MCCA phones will result in a replacement fee.
- All services listed include labor to install and remove said service. Rates do not include connecting of equipment, tracing of malfunctions, special wiring, or repairs. If an exhibitor requires additional telephone labor outside of the standard service, services will be billed at an <u>hourly rate</u> with a minimum of one hour. Labor rates are based on current wage and benefit rates and are subject to change without notice:
 - o Monday-Friday 8am-4pm (except holidays) \$80.00
 - o All other times, including holidays \$120.00

Frequently Asked Questions – Telephone

How do I know if I need a single-line or a multi-line service?

Single-line phones are just like most household phones. They can be used for fax lines, credit card machines, standard telephones, and even to dial-up internet service (although we do not recommend this method of internet connectivity).

I have a wired credit card machine. Do I need to program anything specific for the machine to work on your single-line service?

Yes. Please preprogram your machine to dial "9" before your credit card company's number.

How do I receive my phone number, dialing instructions, and phone/fax equipment?

Please visit the MCCA Exhibitor Services desk onsite to pick up your equipment. At this time you will receive assigned phone numbers and dialing instructions. This information can also be provided ahead of time if requested through MCCA Exhibitor Services.

How can I place international calls on my phone line?

If you wish to place international calls on your phone line, please contact MCCA Exhibitor Services prior to move-in to submit this request. Otherwise, all phones will be limited to local and US numbers.

Internet & Technical Services

The MCCA offers a wide variety of Internet and technical services through our experienced inhouse team of technicians.

Wired Internet Connections

Exhibitors who order wired internet drops are provided with one internet connection and assistance, as needed, from our Internet Help Desk staff. All MCCA Internet services include one initial line regardless of how many IPs come with the service. To have more than one computer connected at one time, exhibitors may bring their own switch or hub device and cables, or they may rent a switch from the MCCA.

Automatic Configuration	Discount	Standard
Automatically configured lines are designed to "plug & play."		_

Broadcast Video Service via TV-1\$2,000.00\$2,500.00

TV-1 provides a one-way transport of a single video signal and up to four associated 15 kHz audio signals. The service eliminates the need for broadcasters to send a microwave or satellite uplink truck to the news or event location.

For advanced Technical Service offerings, consult the online ordering site or contact MCCA Exhibitor Services.

Installation & Connection – Internet & Technical

- MCCA technicians will provide one initial network cable.
- Internet Service is brought from the nearest column or floor port into the booth.
- All MCCA internet services come with one initial line regardless of how many IPs come
 with the service. To have more than one computer connected at one time, exhibitors may
 bring their own routing device and cables or may rent a switch and purchase cables from
 the MCCA.
- Exhibitors are required to distribute their own internet cables.
- Exhibitors may choose to:
 - o Hire labor from the General Service Contractor or;
 - Hire a third-party Installation & Dismantle (I&D) team to perform the distribution work.

Terms & Conditions – Internet & Technical

- The MCCA is the <u>exclusive</u> provider of internet services.
- All MCCA switch rentals must be returned to the MCCA Exhibitor Service Desk at the close of the show. Failure to return MCCA switches will result in a replacement fee.
- All services listed include labor to install and remove said service. Services do not include connecting of equipment, tracing of malfunctions, special wiring, or repairs. If an exhibitor requires additional internet labor outside of the standard service, services will be billed at an <u>hourly rate</u> with a minimum of one hour. Labor rates are based on current wage and benefit rates and are subject to change without notice:
 - o Tech Rep Monday-Friday 8am-4pm (except holidays) \$100.00
 - o Tech Rep All other times, including holidays \$150.00
 - o Network Engineer Monday-Friday 8am-4pm (except holidays) \$130.00
 - o Network Engineer All other times, including holidays \$195.00
- The MCCA will provide an Ethernet connection to a shared data network attachment for the use of Exhibitor's directors, officers, employees and guests during the official dates of specified show.
- Exhibitor will be responsible for providing all hardware, software and other equipment and facilities needed to connect to the Ethernet and to use network attachment.
- The network attachment provided by the MCCA may be used only by the Exhibitor's directors, officers, employees and guest, agents, or consultants. The MCCA network will facilitate communications between the company's authorized users and entities reachable through the national internet.

- The Exhibitor will promote efficient use of provided networks to minimize and avoid unnecessary network traffic and interference with the work of other users on interconnected networks.
- Users of MCCA networks shall not disrupt any of the MCCA networks or any other MCCA associated networks.
- MCCA networks shall not be used to transmit any communication where the meaning of the message, or its transmission or distribution, would violate any applicable law or regulation or would be highly offensive to the recipient of recipients thereof. Mass distribution of any message, including advertising, may not be broadcast or otherwise sent on an intrusive basis to any user of the MCCA network or any directly or indirectly attached network. When requested by a user of the networks, product information and other commercial messages are permitted to be transmitted. Discussion of a product's relative advantages and disadvantages by users of the product and vendors' response to those who pose questions about their products may be made available over the MCCA networks. Interpretation application and possible modification shall be within the sole discretion of MCCA.
- MCCA does not make any express of implied warranty of any kind specifically. There is no express or implied warranty of merchantability or fitness for a particular purpose for the services to be provided. The protocol used on the MCCA network call for end to end verification of the accuracy of any message and such verification is the sole responsibility of the purchasing company. Similarly, these protocols provide for end to end verification of the receipt of all the data that is transmitted. MCCA will not be responsible for any loss of data from delays, non-deliveries, incorrect deliveries, service interruptions, including those caused by the negligence, errors or omissions of the MCCA, or other losses or damages. Use of information obtained via the services provided hereunder is at purchasing company's own risk. Exhibitor is responsible for (a) the accuracy and/or quality of the information obtained or data transmitted through the MCCA network and (b) assuring that each message purchasing company sends or receives has been received.
- MCCA shall not be liable to Exhibitor for any damage arising from any event that is out of the control of the MCCA. Neither shall the MCCA be liable to Exhibitor for indirect, special, incidental, exemplary, consequential or any other form of money damage, including, but not limited to, lost profits, or of the loss of data or information of any kind, however caused, and arising out of or in connection with the performance of MCCA, or the provision of services or performance hereunder, whether based in contract, tort, or any other legal theory, and whether or not MCCA has been made aware of the possibility of such damages.
- In no event shall liability exceed a refund of amounts actually paid to MCCA by Exhibitor for this network attachment.
- The network attachment shall be made available to Exhibitor by MCCA before the beginning through the end of the specified conference.
- The MCCA will provide a network attachment via an Ethernet connection at the Exhibitor's booth. At its own expense, the Exhibitor is responsible for providing the computer, attachment to Ethernet, electric power and all other hardware and software required to use the network attachment.

Frequently Asked Questions – Internet & Technical

Do you have wireless internet?

The MCCA offers free wireless internet service throughout meeting rooms, lobbies, and expo halls; just open your internet browser and look for the <u>BCEC</u> or <u>Hynes Wireless Network</u>. This service is designed for casual users and not guaranteed. If you are relying on the internet to showcase your product or services we strongly recommend a wired internet connection for guaranteed service.

I see that you don't offer hubs for sale. What is the difference between a hub and a switch? Can I bring my own hub or switch?

The MCCA offers switch devices for sale instead of hubs because switches are known to provide better performance with a lower failure rate. Exhibitors are welcome to provide their own hub or switch for all internet services.

What is bandwidth and how do I know how much I need?

Bandwidth is the "size of the pipe" that data can traverse. The bigger the bandwidth, the faster data can be transferred. So, the 500 Kbs has more bandwidth than a 300 Kbs. To find out how much bandwidth you require, please consult with a technical representative in your company or look for program specifications listed with any demonstrations or downloads you plan to run.

I need to access my company's network while I'm exhibiting at your facility. Which service will allow me to do this?

Exhibitors who need to connect remotely to their company's network using a VPN (Virtual Private Network) with authentication information like passwords, certificates, or "tokens" should choose a 300 Kbs service or higher. While the 200 Kbs does allow exhibitors to use a VPN, some VPN clients have experienced difficulty connecting because the 200Kbs service uses NAT (Network Address Translation). NAT is a process by which the MCCA can provide thousands of IP addresses to clients while only using a few "real" internet routable addresses.

What is a VLAN?

A VLAN (Virtual Local Area Network) allows a network of computers to behave as if they are connected to the same service even though they may actually be physically located in different areas around the facility. One of the biggest advantages of a VLAN is that when a computer is physically moved to a different location, it can stay on the same VLAN without any hardware reconfiguration.

I ordered a switch and cables, how and when do I get them?

When you are ready for your switch and internet cables, please visit the MCCA Exhibitor Services Desk.

Rigging Services

The MCCA provides rigging and overhead lighting services through our service contractor, JCALPRO.

Planning Ahead for Rigging & Lighting Services

Diagrams and booth layouts are essential for planning rigging and lighting services. In order to ensure efficient delivery of required services, Exhibitors must submit rigging plots, drawing, blueprints, or engineers' certification with their orders to the MCCA Exhibitor Service Department. Diagrams must include the location, dimensions and weight, and the height from the floor to the top of the suspended item. Diagrams must also show booth outline with aisles or neighboring booths marked for reference and orientation.

Package Rigging Solutions

Discount Standard

The MCCA offers package rigging solutions for Exhibitors with basic and straight forward sign hanging needs. To qualify for the packages, Exhibitors must be flexible with regards to days and times of load-in and take-down.

Basic Rigging Package\$1,550.00\$1,684.00

This package includes all lifts, labor, and rigging equipment (cables, pipes, and hardware) necessary to install and take down one sign/banner weighing less than 150lbs <u>and</u> measuring less than 20' in length or diameter. The package service is provided during standard service hours, Monday-Saturday 7am – 12am, except holidays. If service is required outside these times, then a Team Labor Hour must be ordered in addition to the package.

This package includes the Basic Rigging Package <u>plus</u> labor to connect electrical service to an Exhibitor sign/banner. Overhead electrical service for rotator, motor or lighted sign must be ordered separately. Please see Electrical services section for details.

Team Labor Hour\$304.00

Exhibitors may request rigging service on Sundays, holidays or outside the package service hours (Monday-Saturday 7am – 12am). In this case, a Team Labor Hour must be ordered for each rigging package ordered. In addition, when receiving a custom quote for rigging and lighting, team labor hours will be quoted for all labor hours required that are not covered by the Rigging Packages such as building of truss, focusing and attachment of lights, and lighting maintenance.

Custom Rigging & Lighting Solutions

The MCCA/JCALPRO also offers customized rigging and lighting solutions for Exhibitors with more complex or unique requirements. This option is best suited for Exhibitors with larger signs, multiple signs, and/or overhead lighting needs.

Custom Rigging and Lighting Solutions still require flexibility in load in and load out time. If you require a specific load in or load out day and/or time, hourly rates may apply (see Terms and Conditions – Rigging below).

<u>Custom Rigging & Lighting solutions may only be ordered with a pre-arranged quote.</u> Please contact JCALPRO at 1-617-954-2345 to initiate this process. Quotes will be issued in an easy-to-order format, and will typically include a base Rigging Package for labor charges and some combination of the following items as necessary.

Lighting Fixtures	Discount	Standard
A variety of lighting options are available to brighten exhibit space. attached directly to our ceiling, lighting can be suspended above exhibit and motors.	While lights can	not be

Custom Rigging Solutions

Par 64 (1000 watt)........\$36.00\$36.00 The Par 64 will deliver similar results as the S4 Par, but there are no options for additional lenses. They are available in 1,000 watts.

Custom Lighting Solutions

Discount Standard

Lighting kits include a combination of Lekos, Source 4 Pars and Par 64s based on layout and design requirements. Price includes fixtures, fixture accessories and all necessary cables. Dimmer/control and labor are not included and must be ordered separately. Special Orders for larger kits are available upon request.

Small Lighting Kit (4-6 lights)	\$185.00\$212.00
Medium Lighting Kit (7-11 lights)	\$325.00\$390.00
Large Lighting Kit (12-15 lights)	
X-Large Lighting Kit (16-20 lights)	

Dimmer Racks & Lighting Controls

Discount Standar

These items are optional with individual fixtures or small lighting kits, but mandatory with larger lighting kits. The dimmer rack is a large "outlet" that all lights plug into to create a central control location. A dimmer rack, depending upon size, can be placed in a booth or attached to the truss and kept in the air. The lighting console/control plugs into the dimmer rack to dim or control individual lights, groups of lights, or all lights at once.

Electrical service is not included and must be ordered separately.

Dimmer Control 1.2 x 4	\$96.	.00
Dimmer Control 2.4 x 12	\$150.00\$180.	.00
Dimmer Control 2.4 x 24	\$320.00\$384.	.00

Terms & Conditions - Rigging

- **Hynes Rigging:** JCALPRO is the <u>exclusive</u> rigging vendor at the Hynes Convention Center if a sign requires a motor, electrical rigging, and/or truss, otherwise, the exhibitor may hire the general service contractor to hang signage.
- **BCEC Rigging:** JCALPRO is the <u>exclusive</u> rigging vendor at the Boston Convention & Exhibition Center (BCEC). If an exhibitor is exhibiting at the BCEC and requires rigging services for the booth, JCALPRO is the only vendor authorized to hang signs, banners, or lighting in the booth space.

• If an Exhibitor requires specific load-in/load-out dates and/or times, then a base rigging package may not be applicable. In this case, a special quote for required crew and lift equipment will be prepared using the following hourly labor and weekly lift rental rates:

Hourly Labor	Mon-Sat 7am-12am	Sundays 7am-5pm	Sundays after 5pm,
Items	(except holidays)	and holidays	all days 12am-7am
Crew Chief	\$95.00	\$142.50	\$190.00
Head Rigger	\$95.00	\$142.50	\$190.00
Rigger	\$82.00	\$123.00	\$164.00
Dept Head	\$72.00	\$108.00	\$144.00
Stagehand	\$64.00	\$96.00	\$128.00

Weekly Lift Rental Items	Rate
24'- 32' Scissor Lift	\$550.00
40'- 45' Boom Lift	\$950.00
60' Boom Lift	\$1,550.00

- All rigging must conform to the rules, regulations, and facility limitations of the MCCA and any show management regulations.
- All equipment, signs, products, etc. must be designed to suspend safely. Care must be taken to use only rated rigging hardware when designing, constructing or purchasing such items. Any equipment, signs, products etc. deemed to be unsafe for overhead suspension by MCCA/JCALPRO will be substituted or denied.
- The use of *any* type of tape/adhesive for attaching signs, banners, or decorations to the building walls or decorative surfaces is <u>not permitted</u>.
- All assembly of equipment, signs, products necessary prior to hanging, etc., will be the responsibility of the Exhibitor.
- Failure by Exhibitor to submit accurate diagrams prior to load-in will delay set-up and could incur additional cost.

Frequently Asked Questions – Rigging

How do I know if I qualify for the Basic Rigging Package Rate?

Find out the dimensions and weight of your sign. If your sign weighs less than 150 pounds and is less than 20' in length or diameter <u>and</u> does not require electrical rigging, truss, or motors, you will qualify for the Basic Rigging Package. If your sign is motorized or needs electrical rigging (for example a rotating sign or a sign with lights), you qualify for the Electrical Rigging Package.

Can I order lighting to be suspended from the ceiling?

If you would like to order lights to brighten up your booth or illuminate specific objects, you will need to get a quote from JCALPRO. In most cases, lights cannot be attached to our ceilings. Instead we can provide you with truss, using motors, to create a lower "ceiling" and then hang lights from that truss. We will require a diagram showing your booth layout and exactly what you want illuminated in order to put together a quote.

Do I ship my sign to you to put it together?

No. Although JCALPRO provides labor to hang the sign, the General Service Contractor (GSC) handles all shipments. You may build your sign or hire the GSC to put it together for you. When the sign has arrived at the building and has been assembled, we will hang it for you. Be sure to keep this in mind when making your time and day requests for sign hanging.

Can I request load in and load out times?

Yes, the Rigging Order Form has a space for you to indicate your preferred up and down times. Please note that your preferred timing is not guaranteed; however, we do try our best to cater to your requests. If you absolutely need a specific install or take down time, additional charges will apply. If you do not provide a diagram or layout prior to load-in, then you may experience set-up delays and additional cost.

What type of diagrams should I send?

The most useful diagrams are on a proportioned grid to show the dimensions of the booth, the exact desired placement of hanging items, and orientation of the booths around yours. As a general rule, pictures from previous shows and pictures of the sign only are not as helpful as current diagrams of the entire booth space with the placement, height, and weight of the sign(s) or hanging item(s).

Plumbing Services

The MCCA offers a variety of plumbing services through our experienced in-house team of plumbers.

Water and Drain Services	Discount	Standard
Water - Individual Connection		
Additional Water Connections Exhibitors requiring more than an individual water connection should connection as needed.	\$175.00 order each add	\$219.00 itional

Compressed Air and Gases

Discount Standard

Compressed Air – Individual Connection.......\$325.00\$406.00 Compressed Air is delivered at approximately 110 psi and a dew point of 35 degrees F (medical instrument quality).

Additional Connection\$180.00\$225.00 Exhibitors who require more than an individual connection should order additional connections as needed.

Other Compressed Gases

The MCCA provides a variety of bottled gases. The most commonly ordered gases are listed below. If other gases not listed are required, the exhibitor should contact MCCA Exhibitor Services. Flammable gases are not permitted in MCCA facilities.

20 Lbs Dry or Liquid CO ₂	\$154.00\$184.50
50 Lbs Dry or Liquid CO ₂	\$167.00\$200.50
Dry Nitrogen 300 ft ³	\$206.00\$247.75

Installation & Connections - Plumbing

- Plumbing Service is brought from the nearest column or floor port into the booth.
- Air and Water connections are available in limited locations on the exhibit floor. Connection sizes and booth locations all factor into planning to supply air and water to exhibitors. Please provide a floor plan of the exhibit space indicating locations that require air or water service as well as connection requirements well in advance of exhibitor move-in.

Terms & Conditions - Plumbing

- The MCCA is the <u>exclusive</u> provider of all plumbing services. All plumbing equipment shall remain the property of the MCCA and may not be installed or removed by anyone other than MCCA Personnel.
- Exhibitors <u>are not permitted</u> to fill or drain their own equipment, use individual air compressors, or bring their own compressed gases from an outside vendor.
- All services listed include labor to install and remove said service. Rates do not include connecting of equipment, tracing of malfunctions, special wiring, or repairs. If an exhibitor requires additional plumbing labor outside of the standard service, services will be billed at an <u>hourly rate</u> with a minimum of one hour. Labor rates are based on current wage and benefit rates and are subject to change without notice:
 - o Monday-Friday 8am-4pm (except holidays) \$70.00
 - o All other times, including holidays \$105.00

Frequently Asked Questions - Plumbing

Do all water connections need a drain?

While most water connections do require a drain service, there are some cases where the drain is unnecessary. When the water provided is being consumed or evaporated, a drain is not needed. For example, exhibitors using water service for a coffee machine do not need to order a drain because the water is being consumed.

Will you provide the fittings and hoses for my water and drain connections?

To ensure that your booth's equipment runs properly we ask that you supply your own regulators, filters, and hoses.

When would I need to order a Fill and Drain Service?

Some of the most common reasons exhibitors order fill and drain are for items like fish tanks, pools, tubs for display, or running water displays. We use large hoses to fill vessels requiring water and then use existing drains in the floor to remove the water at the end of the show. Exhibitors are not permitted to bring their own water or use MCCA sinks to fill their own equipment.

My booth requires a sprinkler system. What plumbing service should I order?

If your booth requires a sprinkler system, you will need to order an individual water connection specifically for this purpose.

My exhibitor kit says I need to order a hand washing unit because I am planning to prepare food in my booth. Do you provide these units?

Levy Restaurants, our exclusive in-house catering company, can provide a hand washing unit that includes a small hand washing sink, paper towels, soap, and a discard bucket. Please consult your exhibitor kit for Levy Restaurants information or contact them directly at BCEC (617-954-2382) or Hynes (617-954-2284).

Do you allow Exhibitors to bring Helium balloons into your buildings?

No, unfortunately we do not allow exhibitors to bring helium balloons into the buildings.

Security Services

The MCCA is the "preferred" provider of security booth coverage for exhibitors. If your event designates another security vendor for booth coverage, you may choose to order through the event's preferred provider as detailed in your exhibitor kit.

Security Guard (Booth)

Discount

Standard

Per Hour per Officer.....\$20.00

The MCCA offers uniformed public safety officers to cover shows and events. Officers are scheduled at a 4-hour minimum and are available from move-in to move-out, around the clock. Orders must be placed at least 48 hours in advance of the requested service date.

<u>Frequently Asked Questions – Security</u>

When do you recommend ordering security for an exhibitor booth?

Our public safety department strongly suggests ordering security for booths planning to have VIP celebrity appearances, book signings etc., to monitor crowd control and escort as needed. Also, exhibitors with expensive or rare equipment in their booths may consider security for the overnight hours between show end and the next day's show start.

Is there general overnight security in the exhibit hall?

The MCCA provides 24 hour security coverage for the facility; however, security coverage for the exhibit hall is determined by the show organizer and may vary from event to event.

CONVENTIONS C.A.R. E. Community Assistance by Responsible Events

LEAVE IT BEHIND. MAKE A DIFFERENCE.

Do you CARE? We do.

The Massachusetts Convention Center Authority believes in community, both inside its convention centers and in the diverse neighborhoods of historic Boston, where needs are sometimes great.

By donating useable materials to our **Conventions C.A.R.E.** program, you'll be helping scores of non-profit organizations throughout the city and the region. Not only will your materials be put to good re-use, but you'll be cutting back on your event's environmental impact by diverting waste from local landfills. Plus, it saves you the time and expense of shipping unneeded goods back home. The MCCA already recycles and donates abandoned property. With your help, we can do even more.

It's easy. At the conclusion of your show, look for the bright blue bins spread around the show floor at "Product Donation Stations" during the breakdown

of your event. The bins are marked with the "CONVENTIONS C.A.R.E." logo. Then, simply leave your clean, useable, non-perishable donations in the bin. They can include:

- office products
- clothing
- building products
- non-perishable food
- medical supplies
- toiletries
- convention bags
- books
- furniture
- classroom materials

We'll take over the rest, arranging the assignment and transport of your donations. We'll also track and report these donations to show management.

The program supports several local non-profits, directly benefiting some of the needlest residents in our community. By working together, the MCCA, our partners and you can show Boston charities that responsible events care.

IN PARTNERSHIP WITH:

If you're interested in donating or to learn more, please visit the MCCA exhibitor services desk or contact your exhibitor services representative: exhibitorservices@massconvention.com or (617) 954-2230

HYNES EXHIBITOR GUIDELINES, INFORMATION AND REGULATIONS
VERSION 3.0

RULES AND REGULATIONS – EXHIBITOR PARTICIPATION

Access Control and Credentialing

The following information applies to all exhibitors traveling to the Hynes, unloading exhibitor-related cargo, and parking at the Hynes:

Exhibitors accessing the Hynes must be processed by the General Service Contractor (GSC) before entering the facility. All Exhibitor personnel who travel to and park at the Hynes must check-in with the GSC first. GSC personnel shall make a copy of each Exhibitor's driver's license. The copy of the license shall then be attached to Exhibitor paperwork and a Hard Card (GSC generated container for the License Copy) along with Exhibitor Credentials must be issued by the GSC to the Exhibitor. The Hard Card travels with the exhibitor/operator to the loading dock, and is required in order enter the loading dock area. The Hard Card must remain on the dash board of the Exhibitor vehicle at all times when at the loading dock.

Issued Exhibitor Credentials must be worn on the outermost garment of the Exhibitor at all times while inside the facility.

Affixing to the Facility Structure

- Rigging of cable/hanging devices or affixing and materials to the ceiling, electrical buss ducts and conduits, on sprinkler pipes, ventilation equipment, windows, columns or any other physical structure at the Hynes is strictly prohibited.
- Exhibits shall not cause or permit any nails, staples, hooks, tacks, screws, or the like to be driven into the facility structure (including, but not limited to, any wall, ceiling, column, stone, window, drape, painted, carpeted or concrete surfaces) of the premises.
- Exhibits shall not erect any decorations or use adhesive materials, including tape that can deface the walls, ceilings, floors, facilities, and equipment contained on the premises.
- 4. Walls, floors, ceilings, or other areas of the Center or its furnishings or fixtures are not to be painted or have permanent coverings applied.

Booth Set-Up and Dismantle

Exhibitors

The unpacking, assembling, dismantling, and packing of displays and equipment may be done by full-time employees of an exhibiting company. Exhibitors are allowed to set-up and/or dismantle their own booths, provided that they use their own bona fide, full-time employees. It is acceptable for exhibitors to safely use power tools to set-up and/or dismantle their own booths.

Cabling

No cables (telephone, internet, electrical, audio, video, etc.) should be run in front of any doorways at any time. If cables must cross a doorway, cables must be flown – cable trays are not an acceptable substitute.

Cooking Demonstrations

Exhibitors shall provide a Class K fire extinguisher for hazards where there is a potential for fires involving combustible cooking media (vegetable or animal oils and fats). Maximum travel distance shall not exceed 30 feet (9.15 meters) from the hazard to the extinguisher(s).

Double-Decker Booths and/or with a Roof

All Double–Decker exhibits are subject to applicable state and city building codes and are subject to inspection by state/city officials and the MCCA.

Maximum occupancy load for upper level (s) must be posted at the base of the stairway and enforced by the exhibitor. Smoke detectors must be installed on the first floor of the exhibit and every subsequent enclosed level. Exhibit fire sprinkler systems are required of any exhibit that has a roof, or any other covering, that would impede the effective use of the facilities sprinkler system. A 20 lbs. BC fire extinguisher must be visible on every level of the exhibit.

Any exhibit that is deemed a hazard by the MCCA must be removed from the facility. All costs for removal are the responsibility of the Licensee.

Exclusive Services

The Hynes is the exclusive provider of the following services: food & beverage, cleaning, public safety/security, medical, business center, coat check, electrical, telephone, internet, plumbing and the supply of compressed airs and gases, the use of the house sound system, rigging (some exclusions apply), the operation of ground-supported crank-ups, and the operation and provision of lifts for theatrical purposes.

Exhibitor Product

Exhibitors are prohibited from offering or selling **any product(s)** to any employee, agent, contractor or subcontractor working at the Hynes.

At the conclusion of the event all products must be either:

- Removed from MCCA facilities by the exhibitor; or
- Properly disposed of; or
- Donated to a previously identified non-profit charity; or
- Sold to an established business with sales receipts supplied and produced on demand.

Any MCCA employee, agent, contractor or subcontractor working in MCCA facilities who is determined to be removing and/or accepting from another event related product(s) is subject to immediate termination of employment or prohibition from working at all MCCA facilities.

ALL PERSONS, VEHICLES, BAGS, CONTAINERS, ETC. ARE SUBJECT TO SEARCH.

Fire Safety

This section of the Hynes Event Planning Guide's Public Safety provisions adheres to National Fire Protection Association (NFPA) rules and the City of Boston (COB) Fire Code.

Fire Safety Equipment

Fire extinguishers shall not be removed or temporarily relocated by any exhibitor, the Licensee or the GSC. The GSC is responsible for ensuring that emergency exits, fire extinguishers, fire pull stations, fire department value boxes and fire alarm flashers are not obstructed or obscured from view at any time in the facility. Anyone found responsible for moving, removing or blocking fire safety equipment is subject to fine.

Fire Safety Limitations

The following limitations apply to all exhibits located in the exhibition halls in the Hynes:

- 1. The following items are fire-hazards and are prohibited for use in the Hynes:
 - Compressed flammable gases (exception: Butane in a one pound UL approved canister for cooking demonstration with prior approval from your Event Services Manager.)

- Use of butane requires a permit from the City of Boston Fire Department.
- Pyrotechnics, flammable/combustible liquids, hazardous chemicals/materials, blasting agents and explosives
- Untreated Christmas trees, cut evergreens or similar trees
- Fireplace logs, charcoal and similar materials
- Untreated mulch and Spanish moss or similar vegetation
- Untreated hay or straw
- 2. The following shall be protected by automatic fire extinguishing systems:
 - Single-level exhibit booths exceeding 300 square feet (28 square meters) and covered by a ceiling
 - Each level of a multi-level exhibit, including the uppermost level where the uppermost level is covered by a ceiling.
 - Any home or house constructed within the exhibit hall must also include smoke/fire alarms and a 10lb. ABC fire extinguisher on each level.
- 3. A single exhibit or group of exhibits with ceilings that do not require sprinklers shall be separated by a distance of not less than 10 feet (3050mm) where the aggregate ceiling exceeds 300 square feet (28 square meters). The Boston Fire Department prohibits the use of fabric as a ceiling display or covering.
- 4. The travel distance within an exhibit booth or exhibit enclosure (including temporary office/meeting spaces) to an exit access aisle shall not exceed 50 feet (15 meters).
- Any interior finish, either permanent or temporary, will be required to meet the requirements of the Massachusetts State Building Code.
- 6. Open flame devices may be permitted when they are a necessary part of the exhibit. Devices must be isolated from attendees by either four (4) feet or a barrier; be placed on a non-combustible surface; be separated from other devices by five (5) horizontal feet; and have a 20lb. ABC fire extinguisher present within the exhibit.

- 7. Candles are permitted so long as the flame from the candle does not exceed the height of the required fire safe enclosure, which is usually made of glass or other non-combustible material. Candles can be placed on tables only. Candles cannot be placed on any shelving, window ledges or sills, or any other place where the candle and its encasement could fall and cause injury and/or fire. Use of candelabras and other such arrangements are prohibited. Candles cannot be placed on, in, or near the same area with other combustibles, such as dried flower arrangements, confetti, etc. All candles and required encasements to be used must be approved by the MCCA Public Safety Department at least 60 days prior to the date of their intended use. The exhibitor is required to have a 10 lb. ABC fire extinguisher readily accessible within the exhibit.
- 8. Any vehicle or apparatus which has a fuel tank and is part of a display is required to be equipped with a locking (or taped) gas cap and contain no more than three (3) gallons of fuel, or 1/8 tank, whichever is less; at least one (1) battery cable used to start the engine must be disconnected and the end of the disconnected battery cable taped; vehicles shall not be started or operated with the exhibit hall for the first 15 minutes after the exhibit hall closes to the public for the day or final closing of the event. No vehicle may be operated on the exhibit hall without a lead person walking in front of the vehicle warning people of vehicle movement.
- 9. Curtains, drapes, banners, decorations and acoustical material (including but not limited to cotton, hay, paper, straw, moss, split bamboo and wood chips) must be flame-retardant treated and submitted to the Boston Fire Department Chemist for approval. Material that cannot be treated for flame retardancy shall not be used.
- 10. All tent canopies and tarps must be fire resistant and meet CPAI 84 (Canvas Products Association International) specifications. The original flame retardant compliance tag must be attached to tent, canopy or tarp. Additionally, exhibitors must have the manufacturer documentation available for on-site inspection. Open flame, cooking or other sources of heat are prohibited under any tent, canopy or tarp. The exhibitor is required to have a 10lb. ABC fire extinguisher readily accessible

- within the exhibit. Individual exhibitor tents, canopies or tarps exceeding 300 square feet (28 square meters) shall be protected by automatic fire extinguishing systems. A single exhibit or group of exhibits covered by a tent, canopy or tarp that do not require sprinklers shall be separated by a distance not less than 10 feet (3050 mm) where the aggregate ceiling exceeds 300 square feet (28 square meters). Tents exceeding 400 square feet (37 square meters) require a tent permit from the Boston Fire Department.
- 11. The General Service Contractor or individual exhibitor must have on-site a copy of the Certificate of Flame Resistance for all floor coverings. The Boston Fire Department prohibits the use of carpet on walls, ceilings, seating products or as decorative material.
- 12. The hanging or rigging of signs, displays or banners, etc. shall not interfere with the building fire sprinkler system. Rigged items shall not exceed 300 square feet in surface area in a horizontal plane, nor be more than a 15 degree angle from a vertical plan relative to the exhibit hall floor.
- 13. Exhibitors are prohibited from covering displays with drop cloths, sheets, table cloths or other non-flame resistant material.
- 14. Exhibitors shall move, remove or arrange with the General Service Contractor to remove wooden pallets, shipping crates, cardboard boxes and other packing materials from the exhibit hall area as soon as possible. These items are not permitted in the exhibit halls during events.

Flame Retardant Treated Materials

The following rules apply regarding flame retardant treatments:

- All decorations, drapes, signs, banners, acoustical materials, hay, straw, moss, split bamboo, plastic cloth, and similar decorative materials shall be flame-retardant to the satisfaction of the Boston Fire Department and the State Fire Marshal.
- Combustible materials, •" or more in thickness, glass or asbestos cloth may be used without flameretardant treatment.

- The use of oilcloth, tarpaper, sisal paper, nylon, Orlon®, and certain other plastic materials that are not flame retardant, is prohibited.
- Table coverings used in exhibit halls must be flame-retardant treated, unless they lie flat, and have an overhang of no more than six (6) inches.
- All materials must be certified by the Boston Fire Department within 6 months of the event. The Boston Fire Department does not accept certificates from other jurisdictions. Materials may be sent directly to the Fire Department for testing.

Lasers

All lasers must comply with Massachusetts Code of Regulations (CMR) – 105 CMR 121.000. Class 2 or greater lasers require written approval of the MCCA Public Safety Department. Class 3B and Class 4 must be registered with the Massachusetts Department of Public Health (DPH). Class 3B and Class 4 lasers are subject to on-site inspection and final approval by the Massachusetts DPH. Additional information is available at

www.mass.gov/Eeohhs2/dph/regs/105cmr120_001.rtf.

Food & Beverage Samples

The Hynes prohibits any food or alcoholic beverages from being brought into the building. The distribution of alcoholic beverages, regardless of type and/or quantity, is the sole responsibility of the MCCA's exclusive F&B provider. Food and beverage sampling in conjunction with specific food distribution exhibits may be permitted, by approval in writing, by the exclusive F&B service provider General Manager.

In order to obtain authorization to distribute food and beverage items, one of the following conditions must exist:

- The party interested in distributing food and/or beverage must be the manufacturer of said product. The interested party must only distribute SAMPLE sizes (2 ounces of pre-packaged food items or 4 ounces of non-alcoholic beverages) of his/her product and cannot participate in cash sales of said product during the show.
 - --OR--
- The party interested in distributing food and/or beverage items may pay a fee to be determined by the exclusive F&B service provider as an exclusivity waiver.

If a party brings unauthorized food and/or beverage items into the Hynes and does not subsequently meet one of the conditions listed above, the party must immediately remove the unauthorized item(s) from their exhibit or meeting space. If this is not possible, the exclusive F&B service provider will pick up the product from the party's exhibit or meeting space and hold it in storage until after the close of the event.

Please direct any questions you may have to the exclusive F&B service provider Sales Office at (617) 954-2380.

Glitter, Confetti, Popcorn, and other materials

The use of glitter, confetti, sand or simulated snow types of material, as well as popcorn, is NOT permitted in the Hynes. Additionally, adhesive-backed decals may not be given away or utilized. Any costs incurred by the Hynes for the removal of these items will be charged to the exhibiting company.

Gratuities Policy

It is against the Hynes's policy for any employee or service contractor to accept gratuities or gifts from the Licensee and/or any exhibitors. Offering of tips and gratuities to personnel employed by the Authority, or its contractors, agents, or suppliers, is strictly prohibited. Hynes personnel are required to report any violation of this section to the Public Safety department, at (617) 954-2111. In addition, violation of this policy will subject the recipient of the tip or gratuity to termination of employment and/or dismissal from the building.

Guardrails

Any platform(s) exceeding 30" in height will require a Massachusetts State building code compliant guardrail system. The guardrail shall be 42" in height with balusters or solid materials such that a sphere with a four inch (4") diameter cannot pass through any opening.

The guardrails shall not have an ornamental pattern that would provide a ladder effect. This includes a guardrail on stairs.

The guardrail system shall be capable of withstanding a load of 200 pounds (minimum).

Stairs

Stair construction shall meet Massachusetts State building code for riser height of 7" maximum and a tread depth of 11" minimum. These stairs shall have a

handrail that shall be continuous, without interruption by newel posts, other structure elements or obstructions. Handrails shall not be less than 34" or more than 38". The handrail ends shall be returned to a wall or post. All stairway handrails shall have a circular cross section with an outside diameter of at least 1-1/4" and not greater than 2".

Stair width shall be a minimum of 36". Many multilevel displays are designed without risers, which is not permitted by the Massachusetts State building code as the stairway is a part of a means of egress. The easiest way to address this issue with minimal cost is to secure a fitted piece of fire-rated plywood or sheet rock to the underside of the treads.

Hand-Carry Policy

For the convenience and safety of exhibitors and patrons, all freight and material handling must enter and exit the facility through the approved loading areas. Exhibitors will be allowed to hand carry one item, one time, in or out of the facility without having to access the approved loading areas. No parking is allowed at the Boylston St. entrance and the use of passenger elevators for movement of freight is not allowed. All packages are subject to inspection by Hynes personnel.

Hand carried freight is defined as one item that can be easily carried by an individual exhibitor, without the need for dollies or other mechanized equipment.

Hanging Devices

Rigging of cable and other hanging devices on or near ceiling electrical buss ducts and conduits, on sprinkler pipes, or on ventilation equipment is strictly prohibited.

Lights

Only Underwriters Laboratories (UL) approved clampon types of portable spotlights are allowed. All display lights must be turned off when the exhibitor leaves for the day. Only UL approved extension cords 12 gauge or greater rated for 20 amp are allowed. Note: Household extension cords are not permitted. These are generally 14 or 16 gauge and only rated at 15 amps.

Material Handling

Exhibitors are allowed to perform their own material handling, provided they meet with all of the following criteria:

- Exhibit personnel performing the work must be bona fide, full-time employees ("authorized personnel") of said company.
- Exhibitors may choose to off-load from a companyowned truck or rental vehicle, or from a car, van or truck owned by personnel of the company provided the vehicle is co-owned or rental vehicles must be less than 24 feet in length.
- Exhibitors may use only hand-operated equipment, which they have provided; twowheeled hand trucks and four-wheeled flat trucks are permitted as well.
- At no time can vendors (A/V, furniture design firm, etc.) unload their items. An approved General Service Contractor (GSC) or the exclusive rigging service provider (ERSP) must be hired by the Licensee to unload/re-load and push in all vendors.

Move-In Procedures

ALL Exhibitor Move-in is restricted to the Hynes loading areas. No exhibitor will be allowed access with his or her move-in materials via any other entrance to the facility. Please note the hand carry rule within the Exhibitor Participation Rules/General Conditions Section of the Guide.

Non-Credentialed Exhibitor Staff

Exhibitor staff arriving at the facility must identify themselves with a photo ID (preferably a valid state issued motor vehicle operator's license) by the Loading Dock Officer. Once positively identified, the exhibitor will be referred to the Licensee in order to register and receive event credentials.

Parking on Loading Dock Limited to 20 Minutes

Exhibitor staff members parking on the loading dock and displaying their Hard Card in the dashboard of the motor vehicle for the purposes of unloading cargo have a limit of 30 minutes in order to do so. Exhibitor staff remaining in the loading dock area beyond the 30 minute limit and/or who do not display their officially issued Hard Card subject themselves to towing at the vehicle owner/operator's risk and expense.

Positive Means of Identification Required

While inside the facility Exhibitor staff must be in possession of a current and valid means of identifying themselves with photo identification (ID), preferably a state issued motor vehicle operator's license, etc.

Public Safety Recommendations

The MCCA is not liable for nor does the MCCA carry any insurance on Exhibitor property or fixtures. Please bear in mind that all of your exhibit material and displays are your property. Therefore, it is important that you take every precaution to protect this material. Below are some suggestions toward this end:

- 1. Ship your materials with a qualified carrier and be sure to lock trunks/crates.
- If cartons are used, be sure that they are securely taped or banded and under no circumstances marked with the name or type of articles contained therein.
- 3. Be sure to furnish your shipping company with an accurate account and complete bill of lading.
- 4. Do not leave your booth unattended during the set-up period.
- Do not leave exhibit material under tables or displays.
- 6. Do not include exhibit material in containers to be stored with empties.
- At the close of the exhibit, be sure to pack as quickly as possible and under no circumstances leave your space unattended during this period.
- 8. If at all possible, have one of your staff remain in your space with your shipment, until it is actually picked up by the drayage contractor's personnel.
- Promptly report any missing items or suspicious person(s) to Public Safety.

Smoking

The Hynes is a non-smoking facility. Smoking is NOT allowed in the facility at any, including move-in and move-out times. Licensee is responsible for any damages caused by attendees or contractors who smoke or use tobacco products in the building. Smoking areas are located outside the building. Anyone found removing, damaging or tampering with any smoke detectors will be immediately banned from the facility.

Solicitations

No solicitations or collections in the Hynes, whether for charity or otherwise, shall be made, attempted, or

allowed, without prior written consent of the General Manager.

MCCA SERVICES

The Hynes and its contracted entities are the exclusive providers of the following services: food & beverage, cleaning, public safety/security, electrical, telephone, Internet, rigging in the ballroom, the operation of ground-supported crank-up's, plumbing, the use of the house sound system and the supply of compressed air and gases. Most of these services are available directly to exhibitors and can be provided through the Exhibitor Services Center. They are subject to prices and conditions on appropriate order forms. Our services can NOT be resold or bundled as a package without prior written approval from the General Manager. Discounts may apply to some services by meeting the advance payment deadlines and conditions notes on the forms.

For rates and additional information, exhibitors should contact our Exhibitor Services Center at (617) 954-2230 or visit our secure online ordering web site at www.massconvention.com.

ATM's

Guests will find an ATM on the lower level inside the Boylston Street entrance and inside the Prudential Center entrance.

Audio/Visual Services

The Hynes offers in-house A/V services on a preferred basis with a preferred audio/visual provider to help provide comprehensive event support and services. All types of audio and visual display devices, screens, and computer interfaces are available, along with skilled operators. The preferred audio/visual provider is the exclusive provider for the use of the in-house sound systems. All other A/V Companies must bring in a stand-alone speaker system.

Booth Packages

Our services can NOT be resold or bundled as a package without prior written approval from your Event Services Manager.

Business Center

The contracted in-house vendor is the exclusive service provider of the Business Center. From simple documents to complex projects and on-going programs the Business Center will provide document

management solutions to meet your needs. The Business Center document solutions capabilities include: copying and digital printing, document production, supplies, computer services, electronic file submission, signage, custom printing services, document distribution, notary public services, pack and ship options, including express and ground service, fax service with delivery on incoming messages and desktop/word processing.

Satellite Services

Two downlink dishes are located on the roof of the Hynes. Signals may be distributed to any location in the building. Both C and Ku bands are available.

TRANSPORTATION

Public Transportation

Public transportation in the Boston area is provided by the Massachusetts Bay Transportation Authority (MBTA or "The T"). A number of excellent public transportation options are available for service to and from the Hynes. Additional information about public transportation in Boston can be found on the MBTA's website: http://www.mbta.com.

Taxi Information

There is a taxi stand located outside the Boylston Street entrance. This stand is operational 24 hours a day 7 days a week.

Parking Options

There are several local parking garages / lots in the vicinity of the Hynes. The facility does not have on site parking available. For additional information please see Section G of this guide.
